

## **FISCAL NOTE**

### **HB 2304 - SB 2323**

April 1, 2007

**SUMMARY OF BILL:** Requires the Department of Environment and Conservation to provide planning models for relocating, hauling, composting and processing of waste in rural suburban and urban areas. The department would provide a report to the House Conservation and Environment Committee and the Senate Environment, Conservation and Tourism Committee by December 1, 2008.

#### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures \$718,000/Recurring  
\$50,000/One-Time**

##### Assumptions:

- The department would require 14 additional positions to develop three separate models (rural, suburban, and urban).
- The department estimates it would take two to three years to develop three separate models.

#### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" and last name "White" clearly distinguishable.

James W. White, Executive Director
